

## ART REQUIREMENTS

### FILES ACCEPTED

- Adobe Illustrator (AI, EPS, PDF - enable editing capabilities)
- Adobe Photoshop (TIFF, PSD, PSB - original layered files)
- High Resolution JPEG
  - **Art At Full Print Size?** 72 dpi or 150 dpi
  - **We Are Scaling Art?** 300 dpi

**\*\*Please Note:** The larger the image, the better the final quality. 300 dpi does not always guarantee desired image quality of custom prints for very large walls.  
We will always provide a sample before production

### WALL COVERINGS OR CUSTOM PRINT WINDOW FILM

- Include 2"+ bleed on all sides
- Images must be embedded *OR* linked with linked images provided
- Fonts must be outlined

### CUSTOM CUT LOGOS OR GRAPHICS

- Must be vector files - Adobe Illustrator (AI, EPS, or PDF - enable editing capabilities)

### MATCHING PAINT OR PANTONE (PMS) COLOR?

- Clearly indicate colors we are matching
- Provide exact reference number or physical reference (paint chip or swatch)

### HOW TO SUBMIT

**Under 20 MB?** Email to contact.

**Over 20 MB?** Upload to link: <http://metwest.com/upload-file/>
