FOR IMMEDIATE RELEASE

Roland Businesses Wow SGIA 2013 Golden Image Awards Judges with 21 Wins

Irvine, Calif., Oct. 24, 2013 – Roland DGA Corp. has announced that 21 of this year’s SGIA Golden Image Awards were given for graphics produced on Roland digital printing equipment.

Held this week at the Specialty Graphics Imaging Association (SGIA) Expo in Orlando, Fla., the Golden Image Awards competition is widely recognized as the industry’s most prominent annual forum for digital imagers to show off their best achievements for the year. The competition celebrates industry-leading excellence and encompasses a wide range of categories that illustrate the spectrum of valuable products and services enabled by specialty imaging technologies.

This year, hundreds of entries were evaluated by an elite team of imaging professionals, who awarded gold, silver and bronze ribbons for the best prints. The following businesses, including multiple-award winners Varsha Transprint and Metropolitan West, took top honors for their work with Roland large-format printers:

Varsha Transprint, Mumbai, Maharashtra, India (all produced using a Roland printer)
- Gold – Finished Garments (Light), Digital Entries - “KATHAKALI”
- Gold – Textile Products (Other), Digital Entries - “ANGEL CHHATRI”
